

Ramazan Ramazanov

Front End Developer

615-593-8224 | ramazan.i.ramazanov94@gmail.com | [Github](#)

PROFILE

Detail-oriented developer with 6+ years of experience in software development and testing, specializing in frontend development with modern JavaScript frameworks. Proven track record of building complex data-driven interfaces and working independently on challenging projects. Seeking to leverage my combined experience in development and QA to create robust, user-friendly applications.

TECHNICAL SKILLS

Frontend Development:

- JavaScript (ES6+), React, NextJS
- Tailwind CSS, Modern CSS/SCSS
- Complex UI Development
- Responsive Design
- Cross-browser Compatibility

Development Tools:

- Git, GitHub, Azure DevOps
- CircleCI, Jenkins
- Agile/Scrum Methodologies
